

Chemic Laboratories, Inc. & Emerson Resources, Inc. Announce Joint Cooperation Agreement

April 1st 2010

Chemic Laboratories, Inc., Canton, MA, is pleased to announce a strategic relationship in the form of a Joint Cooperation Agreement with Emerson Resources, Inc., Norristown, PA. Under this agreement, the companies can collectively offer their clients valuable industry experience and a broad range of capabilities to help improve speed to market. This collaboration will add value to our client's programs and streamline their development efforts.

"Chemic is very pleased to establish this formal working relationship with Emerson Resources, a company which has an exemplary reputation in the area of product development of finished pharmaceuticals" said Joseph St. Laurent, President and CSO of Chemic Laboratories, Inc. Adolfo Gomez, President of Emerson Resources, Inc. commented "Emerson Resources is confident that the Joint Cooperation Agreement with Chemic offers the ideal blend of expertise and entrepreneurship that is critical to our clients' success".

About Chemic Laboratories, Inc.:
